SMART KEY

Re-key: As Easy As

1 Insert functioning key & turn 1/4 turn clockwise.

2 Insert & remove the SmartKey learn tool. Remove functioning key.

3 Insert new key & turn 1/2 turn counter-clockwise. Your lock is now re-keyed!

You must have your functioning key & your learn tool for the system to work.

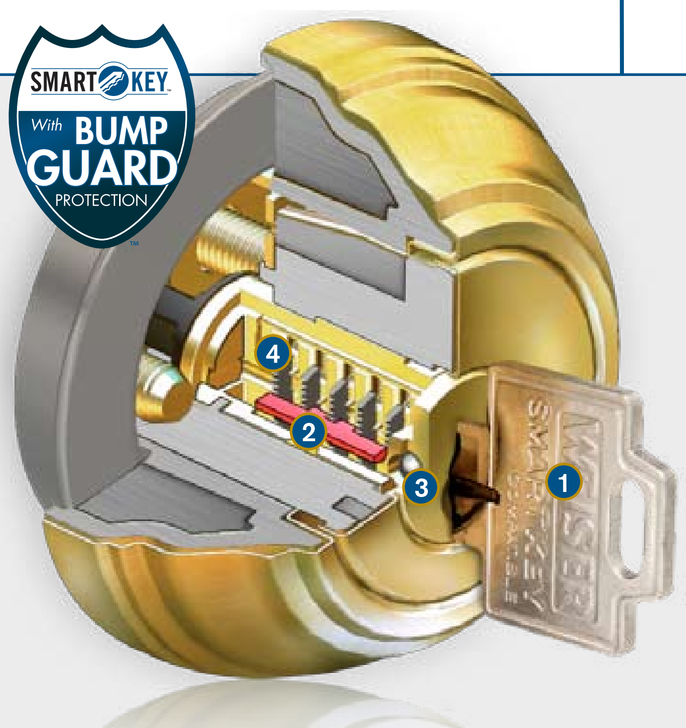

FEATURES:

1 KEY IT YOURSELF
Lock is re-keyable in less than 30 seconds by using the included learn tool without removing the lock from the door.

2 BUMPGUARD™
Patented side locking bar technology replaces a traditional pin & tumbler design to protect against lock bumping.*

3 DRILL RESISTANCE
Cylinder uses two steel balls inserted into the front of the key face to resist attack from drilling.

4 NEW TECHNOLOGY
Locking bar, racks and pins are made out of stainless steel for increased strength & durability.

*Lock bumping–an attack technique using specially cut keys that can defeat conventional pin & tumbler locks.

Warranty

Weiser, a trusted name in security and innovation since 1904, believes in the highest testing of quality for our products. We stand behind it with one of the best warranties in the industry. See price book for details.

Product Portfolio

Designer Roses

- Two decorative rose styles – Arched and Oval.
- Snaps on any reversible lever chassis.
- Sold as an accessory or configured with a lever.
- Not available for pin and tumbler keyed levers.

Rustic Finishes

The saying "What's old is new again" certainly has relevance in today's design trends, and at Weiser there is no exception. Weiser is proud to offer three additional finishes with old world charm:
Rustic Pewter, Rustic Bronze and Iron Black.

Security

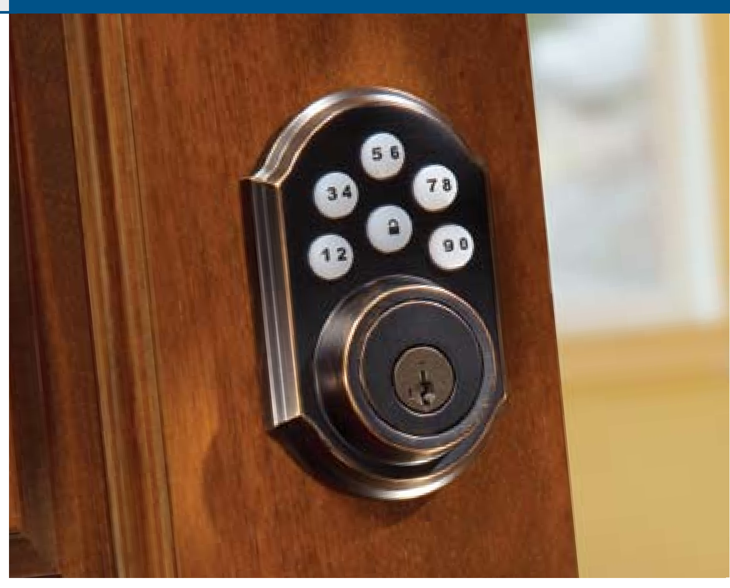

*ANSI/BHMA
(American National Standards Institute)
(Builders Hardware Manufacturers Association)

CERTIFIED SECURITY

Locks are graded by an independent agency (ANSI) and are BHMA Certified.

Grade 1 – Heavy Duty Commercial Security
Grade 2 – High Residential Security
Grade 3 – Residential Security

Pick Resistant – SmartKey withstands the highest level of UL pick testing, UL 437, Par. 11.6

SmartCode
Touchpad Electronic Deadbolt
